

Join the Competition

Additional opportunity to be part of the Royal Agricultural Winter Fair beyond the 10 days and showcase learning at the Fair!

Starting in spring to fall, show students the cycle of food production and preservation by growing a fruit garden and turning into jam.

Jams Jelly & Pickling Competition

*Youth Classes (page 15)

Bernardin Ltd. Is the Official Partner of the 2018 Canning competition.

www.bernardin.ca for How to Guides

Does your class have an urban garden and an extraordinary large vegetable? Try entering it in the Giants competition and be amazed by all the Giants at the Fair. For an extra challenge, enter in Class 25 for Overall Youth Exhibitor (Page 21) that includes a one page document with growing instruction.

Horticulture Competition
