Rules and Regulations

1. Open to 4-H dairy calf club members over 12 years of age to 21 years of age, as of January 1, 2011 with a 2011 dairy calf project. There is no limitation on the number of times that an individual member may be eligible to compete in the Classic.
 2. To be eligible to show at the 2011 Classic, the 4-H member must have pre-registered the project calf by June 1, 2011. Only one (1) calf project per 4-H member may be pre-registered. The local 4-H dairy calf club leader must verify that the member's project is completed at the time of entry.
 3. The Classic Committee suggests that the following guidelines be used in the team selection:
 - a. There is no limitation on the number of times that an individual member can compete in the Classic.
 - b. Such a limitation may disqualify the county/district or province from attending.
 - c. The 4-H'er must complete their 4-H project for the year.
 - d. Selection should be based on more than the results from one show.
 - e. The selection committee is encouraged to enlist assistance from recognized judges that may have seen the 4-H member and their project calf on numerous occasions throughout the year.
 - f. Each county/district/province will select a team that includes the five (5) best conformation calves, followed by the best three (3) showpersons who are not involved with the best five (5) conformation calves.
- A scoring system to calculate the Premier County Award has been adopted by the Classic Committee. This scoring system will reflect the committee's guidelines and desire that teams are selected for both conformation and showmanship.
4. The number of entries that will be accepted is as follows:
 - a. Ontario: A maximum of eight (8) calves per county/district
 - b. Quebec: A maximum of eight (8) calves per county/district
 - c. Other provinces: A maximum of ten (10) calves per province
 5. **Contestants age classifications for showmanship are as follows:**
 - a. Junior: 12 – 14 as of January 1, 2011
 - b. Intermediate: 15 – 17 as of January 1, 2011
 - c. Senior: 18 – 21 as of January 1, 2011

In the case when the Grand Champion Showperson from a previous year wishes to return to the Classic, that person will be allowed to show in the conformation class only. That county/district or province will be eligible to send an extra calf to compete in the Showmanship class. They must be so designated at the time of entry.

 - d. The Grand Champion Calf and the Grand Champion Showperson must be able to stay for the award presentations on the Monday evening Royal Horse Show at approximately 8:00 p.m.

8. **Group of Three Calves:** Counties/provincial groups are invited to enter a group of three calves. A county/provincial group may enter a second group of three (3) calves provided they are other dairy breeds. Any assistance required to set up groups of three in the show ring must be performed by 4-H members in whites only.
9. **Registration:** At the time of registration on Saturday, the following information is required:

10. **Sickness of Calves:** If the 4-H calf project that is pre-registered by June 1, 2011 becomes ill or dies, the 4-H member will not be eligible to participate at the 2011 Classic. However, a county/district or provincial area may substitute another eligible 4-H member. **Infectious Diseases:** Calves having an infectious or contagious disease while participating in the Classic will be dealt with in accordance with Royal Agricultural Winter Fair rules.

If a violation is viewed by a Classic committee member then penalty points will be issued to the county/region/province that the participant is representing. Listed below are the penalty points that may be issued;

 - Late Marshalling – 1 point per participant
 - Use of cattle chutes – 10 points per chute
 - Misconduct of participant – 2 points per participant

If a calf is above the 1½ inch criteria then they are able to show in the showmanship classes, but it will be rechecked prior to the conformation classes.
