

## Fact Sheet

### FAMILY FUN AT THE ROYAL

There's simply so much to see and do with your family here that you may have to return a few times.

**Tim Horton's Ag-tivity Centre.** Tim Horton's Ag-tivity Centre will provide children aged 4-11 with fun-filled activities that also nurture the mind. Have your little ones learn about horses while painting their very own Breyer pony. We can't forget about the cows either. "Maple the Milking Cow" gives kids a hands-on milking experience. If getting creative is more their style, they can colour up a storm and have the chance to win some Crayola and WILD magazine products. Perhaps the most exciting Tim Horton's activities are those featuring animals. Your children will learn how to be safe around the family pet. Both Helping Homeless Pets and Animal Services of Toronto will be on hand with their animal friends. The Tim Horton's Ag-tivity Centre is located in the Upper East Annex.

**Horse EquiMania!** The EquiMania! Youth Education Program, specifically geared to youth aged 8 to 14 teaches young audiences about horse health and care. Equine Guelph, the creators of EquiMania! have daily demonstrations in the show ring teaching young horse enthusiasts how to properly care for their animals. The demonstrations complement an interactive *EquiMania! Discoveries* area located in the Upper East Annex.

**Pizza Pizza Petting Farm.** The Pizza Pizza Petting Farm is the place to see all your favourite animals. Kids can get up close and personal with some cute and cuddly animals and even feed our furry friends a snack!

**My Giant Vegetable Competition presented by The Ontario Toyota Dealers.** Come see the most fascinating giant pumpkins and giant vegetables, weighing up to 800 pounds this year at The Royal. New this year is also the My Giant Vegetable Competition by The Ontario Toyota Dealers. Come to Hall A to get your very own giant pumpkin and giant vegetable seeds from authentic giant vegetable farmers. And maybe you'll grow your own giants big enough to enter in the Giant Vegetable Competition next year!
