

### **In Memoriam: Mr. Moffat Dunlap**

It is with great sadness that we share the news of the passing of Mr. Moffat Dunlap, a Past President of The Royal Agricultural Winter Fair.

Moffat was a 20-year member of the Canadian Equestrian Team and showed jumpers at The Royal Horse Show in the 1950s, 1960s, and 1970s. Competing at The Royal, Moffat won several prestigious show jumping classes, including the Puissance and earned the leading Canadian rider title at the Royal Horse Show on numerous occasions.

Moffat continued his involvement at The Royal as a dedicated volunteer, representing The Royal Horse Show on the Board of Directors starting in 1980. Moffat would serve as Chairman of the Royal Horse Show Administrative Committee from 1982 to 1984 and then served as President and Chairman of The Royal Agricultural Winter Fair in 1988 and 1989.

Moffat commented that the Royal Horse Show has always been about pursuing excellence in horse sport across all disciplines. The magic of the Royal is based on fan support and the tremendous dedication of the staff, volunteers, and exhibitors. We all do our part to maintain and improve this great Canadian tradition.

The Dunlap family has been involved with The Royal since its founding in 1922, with three generations of Dunlaps participating as volunteers, sponsors, and exhibitors of The Royal.

Moffat's grandmother, Mrs. Jessie Donalda Dunlap, exhibited guernseys, poultry, Yorkshire pigs, Clydesdales, and flowers at the earliest Royals. Jessie was the first female Honorary President of the Royal from 1940-1946. The Dunlap Ballroom, located at The Royal, is named in her memory.

Moffat's son, John Dunlap, continued the family tradition in his involvement with the Fair. He showed ponies and junior jumpers at the Royal in the 1980s. John became an active volunteer at The Royal for over 20 years, serving in various roles. John served as Royal Horse Show Chairman from 2006 to 2009 and as President and Chairman of the Royal from 2011 to 2013.
