GET READY TO GROW!

Metro is sponsoring the Royal Agricultural Winter Fair food competitions for a fourth straight year. Along with their pledge to back locally sourced food, Metro is committed to finding and supporting local suppliers and manufacturers to feed Ontarians in new and exciting ways. Metro is looking for entrepreneurs who are ready or on the cusp of being ready for retail. Local food or beverage companies will have the opportunity to be assessed for Metro's Locally Sourced program and invited to a Metro Buyer's meeting, with the potential to receive business coaching and finalize their product for distribution in Metro stores in Ontario!

WE LOOK FORWARD TO CROWNING THIS YEAR'S ROYAL CHAMPIONS!

For more information or to get involved in the Metro's Locally Sourced Program **please email entry@royalfair.org**

RULES & REGULATIONS

1. Only one entry per exhibitor in Classes 1, 2 and 10 will be allowed. Multiple entries will be allowed, in classes 3-9, 11 and 12, by one exhibitor providing the main ingredients in each entry differ.
 2. Entries must be made via AssistExpo, RAWF's online entry system, or a paper RAWF entry form must be completed. After the entry closing date, the RAWF will send the exhibitor a confirmation letter outlining their entries as well as labels for their products. These labels will contain the Section #, class #, and ID# for each entry. Please match your entries with the labels and place these labels on the **bottom** of the appropriate jars.
 3. The exhibitor must send two (2) jars of pickles for each entry. Pickle Exhibits in classes 1,2,3,8 & 10 must be packed in 500mL mason jars, with a ½-inch (1cm) head space and a two-piece metal lid with a secure vacuum seal. For classes 4,5,6,7 & 11, 2 jars for each entry must be packed in 250mL mason jars. Sealed lids curve downward and do not move when pressed in the centre. By definition all pickle entries will contain lemon juice or vinegar.
 - a) For classes 9 & 12:
 - i. Pickle entry: (2) jars for each entry. Must be packed in 500mL mason jars, with a 1/2-inch (1cm) head space and a two-piece metal lid with a secure vacuum seal.
 - ii. Relish, Chutney, Chili and /or Salsa entry: (2) jars for each entry. Must be packed in 250mL mason jars. Sealed lids curve downward and do not move when pressed in the centre.
 4. All entries must be labelled with a full list of ingredients used. Labels are not considered in the judging process.
 5. Complete recipes **MUST** accompany all entries to ensure proper canning techniques. All pickle entries must be processed (i.e. filled jars are heated in a boiling water canner). Processing method and time must be indicated in supplied recipe.
 6. For entries in Class 8, Heritage Pickle: Complete recipes must accompany entries. If the original source is a historical cookbook or magazine, please provide full citation. If the source is unknown/incomplete, provide as much information as possible. If the original source is a family recipe, this must be stated.
 7. Exhibits must be delivered to:
Royal Agricultural Winter Fair, Show Office
Door #33, Manitoba Drive, Exhibition Place
Toronto, ON M6K 3C3
Telephone: (416)-263-3418
 8. Please ensure you provide your courier with the office hours above when scheduling your shipment. To avoid breakage, exhibitors are requested to pack exhibits with padding. If you are hand delivering your entries, please call ahead to ensure staff is present. Please ensure your name, exhibitor number and address are on the outside of your shipping box.
 9. All exhibits become the property of the RAWF and will not be returned.
 10. The judges reserve the right to withhold prizes from any entries deemed unworthy.
 11. The decisions of the Judges are final.

DESCRIPTIONS

PICKLES: Whole, quartered or sliced cucumbers, vegetables or fruits preserved in an acidic solution that contains vinegar or lemon juice, salt or sugar plus herbs and/or seasonings. Class 1 – Dill Pickles are exclusively pickling cucumbers preserved in a dill-infused solution that may contain other herbs for flavour.

SWEET PICKLES: Whole, quartered or sliced cucumbers, vegetables or fruits preserved in a sweet, acidic solution that contains vinegar or lemon juice, salt or sugar plus herbs and/or seasonings. Sweetening may be achieved with sugar, white or brown; honey, etc.

RELISH: Chopped, spoonable or spreadable pickle generally made with a combination of vegetables, seasonings and/or fruits. May have sweet or savoury flavour profile. Has a tender texture with small but definable pieces. May have some degree of separation between solids and liquid but should not be extensive.

CHUTNEY: A spoonable/spreadable condiment with a distinctive flavour profile that can be sweet or savoury, hot or mild. Combines fruits and/or vegetables with acid (vinegar, citrus juice etc.) and seasonings in a somewhat thick, almost jam-like mixture. Texture can be smooth or chunky or smooth with distinctive, tender pieces. Generally has the thickest texture of pickled foods.

CHILI SAUCE: Generally, though not necessarily, tomato-based condiment with a sweet/sour flavour profile and a spoonable/spreadable soft texture. May also contain a wide range of vegetables, fruits, herbs and spices. Can be smooth or textured, but is not really chunky. Solids and liquids should be separate. Can exhibit “heated” overtones.

SALSA: Tomato or fruit-based mixture, flavoured with chopped vegetables, herbs, chilies and/or spices to yield a distinctive Latin (Mexican/Spanish) flavour profile. Can be dipped or spooned or used to season other recipes. Generally has a chunkier texture than chili sauce.
