PRESIDENT'S LETTER

After 100 years, there is so much to celebrate about The Royal Agricultural Winter Fair. The Royal Agricultural Winter Fair is the world's largest combined indoor agricultural and horse show. Since its inaugural event in 1922, The Royal has continually grown in substance, quality, and size, and remains committed to being a leader in promoting agricultural awareness and education. The Royal is renowned for establishing and maintaining the highest of standards for quality and excellence in its livestock, food, and equestrian competitions. It is the highlight of the year for many competitors and exhibitors.

Horse people from around the world come to The Royal to watch and compete with the best of the best, in thrilling displays of equestrian skill in all its variety and glory. This year, we are thrilled to announce these exciting new changes within The Royal Horse Show:

- The Royal Agricultural Winter Fair has invested substantial funds to provide the best possible experience for our exhibitors and their horses. You will notice improved lighting in the stables, better footing in the Horse Palace ring, new jumps and floral décor, and much more.
- The Royal Horse Show has been awarded 5* status by the FEI for our international show jumping division. Featuring the largest prize purses ever offered in our 100-year history, we will host the world's best show jumping athletes and their horses, providing the most exciting show jumping in North America in 2022.
- The Royal constantly strives to improve its competition offerings by modernizing and adapting as the industry evolves. With changes to the competition offerings in 2022, a wider group of competitors will have an opportunity to compete at The Royal.
- Additionally, in 2022 we are pleased to offer online entries for the first time.

As we celebrate a Century of Champions, attendees can expect to see special activities throughout the Fair that commemorate The Royal's tremendous heritage. In true Royal style, we will also be hosting a spectacular 100th Anniversary event this November that will make us all proud. Details about The Royal 100th Anniversary Gala Dinner and The Royal Showcase will be released shortly, and we hope you'll be able to join the fun and support the Fair. Stay tuned.

We very much look forward to a live show this November, especially after two years of Covid darkness. With a committed Board, CEO and staff, and the thousands of highly valued volunteers, exhibitors, sponsors, supporters, and fairgoers who cherish this historic institution, we will bring the excitement, the vibrancy, and the magic of The Royal into the next century.

Thank you for your continued support,

BREEDING HORSE

ROYAL BREEDING HORSE SHOW RULES AND REGULATIONS

1. All entries are made subject to the General Rules and Regulations of the Royal Horse Show published in the front pages of this book and exhibitors are bound by them.
2. Except where otherwise specified all horses (including foals) MUST be registered in the name of the exhibitor at the time of making entry. Copies of all registration papers verifying ownership must accompany each animal while at the show and must be available for inspection at any time.
3. The age of each horse will be computed from the first day of January of the year in which it was foaled.
4. Changes in entries will not be accepted after the tenth (10th) day following the closing date of entries, unless otherwise specified.
5. Except where otherwise specified, Foals, Yearlings and Two Year-Olds are eligible to compete for Junior Championships; Horses Three Years Old and over are eligible for Senior Championships. Notwithstanding this schedule, no Junior or Senior Championship, as the case may be, will be awarded unless the classification provides for the winners in two or more classes to compete for such honors.
6. Exhibitor shall be allowed a maximum of two entries in any class for single animals, and not more than one entry in any class for groups unless otherwise specified
7. No animal will be allowed to compete in more than one class or section except when competing as a member of a group, in harness, for a Championship, special prize or when otherwise specifically stated. Cross-entering will be permitted in the Thoroughbred and Canadian Sport Horse Classes provided the entry has the proper qualifications.
8. Every animal eligible to compete for a Championship must be presented in the ring when the class is called, otherwise the exhibitor shall forfeit the prize money won by such animal. This rule will be strictly enforced. Except where otherwise specified, Geldings are not eligible for Championships.
9. A Brood Mare is a mare that has raised a foal for the current year or during the current year. Unless as otherwise defined in section rules.
10. Except where otherwise specified a Yeld Mare is a mare, four years of age or over, that has not raised a foal during the current year. A Mare that dropped a dead foal or a foal that died within two weeks of birth shall be classified as a Yeld Mare. Unless as otherwise defined in section rules. An embryo transfer donor mare is classified as a yeld mare.
11. Breeder's name must be shown on the line below the name of the animal if it has not been bred by the exhibitor.
12. Exhibitors are not permitted to bring mares into the ring during the judging of foals.
13. During the showing of line classes, except those for Hackneys, only one person will be allowed in the ring with each horse and that person may carry a crop, whip or stick as approved by the appropriate Breed Association.
14. Exhibitors are required to dress in neat attire while showing animals in the ring. No ball caps or jeans are allowed with the exception of Sportpony, where ball caps are acceptable.
15. All animals in the Breeding Horse Section must be identified in the Show ring by numbers displayed on the backs of the exhibitors. The numbers will be supplied at no cost to the exhibitor.
16. Any unmanageable horses will be removed from the Judging Ring.
17. Get of Sire, Progeny of Dam, or Stallion and Three Mares entries should also include the name of the Stallion or mare being represented wherever possible.
18. Heavy Horse Hitch Entries: One hitch horse per class will be permitted into the Gelding breed classes on Friday November 12th with no additional administration fees, however, the entry fee of \$35 per class will apply. Any additional horses entered in the Gelding classes from that Hitch entry are required to fill out separate entry blanks and pay any and all fees as appropriate.
19. The Royal Agricultural Winter Fair reserves the right to cancel or combine classes with less than three (3) entries.
20. **TACK ROOMS:** All tack room curtains must be made out of fire retardant material. Ceiling covers for the stalls are not allowed. Absolutely no plastic will be permitted. No cooking will be allowed in tack rooms. Exhibitors must have available a ten (10) pound ABC type fire extinguisher. This will be strictly enforced. Failure to comply will result in immediate dismissal on the authority of the City of Toronto Fire Marshall. Exhibitors must limit the amount of decorating space along the perimeter of the tack rooms to one (1) meter so that traffic is not impeded. Non-compliance of the above rules will result in RAWF staff removing ceiling covers and/or decorations/equipment that protrude into public walkways. In addition, The Royal will fine the exhibitor at fault \$100 which will be added to their invoice and their entry submission for next year will be subject to review.
21. Late entries submitted after the closing date to the Belgian, Clydesdale and Percheron Breeding Divisions may be accepted upon approval of RAWF Management. No late entries will be accepted after the 25th of October. Each entry will be subject to a \$30 late entry fee.
22. **DOGS:** Please be courteous to those sharing a shedrow with you. Dogs must be leashed and under your control at all times and kept to the confines of your stabling area. Loose dogs will not be tolerated under any circumstance. Dogs are NOT permitted in the Coca-Cola Coliseum at any time. Exhibitors are encouraged to leave their dogs at home. The City of Toronto by-law requires all owners/handlers to stoop and scoop at all times and in all places. Failure to adhere to these policies will result in a \$100 fine for first offence, \$250 for a second offence and removal of your dog(s) from the premises for the remainder of the this year's RAWF.
23. **All breeding horse entries to The Royal Horse Show must be fully vaccinated according to current veterinary standards. Competitors may be asked to produce full vaccination records for each horse. Failure to do so may result in refusal of entry without refund.**

All Sportponies must adhere to the published entry close date. If a pony does not qualify, the entry fee will be returned, and entry canceled at no charge to the exhibitor.

The winner of each of the seven (7) in hand classes are eligible to enter to qualify for the SPORTPONY STARSEARCH CHALLENGE CUP, held at the Royal Winter Fair in November 2022.

Passport and registration are not necessary to participate, nor must the pony be a registered Sportpony. All Sportpony type ponies are eligible to enter qualifying shows if they meet that show's rules.

If the first-place pony has already qualified at a previous show in 2022 or 2021 bonus, then the second-place pony becomes the qualifier. Once qualified a pony may still show at any of the qualifying shows but may only qualify once in 2022. The 2021 BONUS qualifiers may compete again but do not need to re-qualify in 2022.
