It is expected that all exhibitors will adhere to this Code of Conduct.

The objectives of the Royal Agricultural Winter Fair's Code of Conduct are as follows:

- To ensure the health and welfare of all animals participating at the RAWF;
- To protect the integrity of all livestock competition and sales;
- To project an accurate and responsible message about animal care to the public.

In all aspects of the RAWF, the well-being of animals shall take priority over the demands of owners, sellers, buyers, organizers, sponsors and officials. All animals must be treated with respect at all times. The animals must be considered paramount. The care of all animals must be consistent as possible with their normal schedule.

The highest standards of nutrition, health, sanitation and safety shall be enforced at all times. Adequate provision must be made for ventilation, feeding, and watering throughout the show. All handling, housing and veterinary treatment must ensure the health and welfare of the animals.

The competence of the handlers and show-people is considered essential. Untrained individuals, including show personnel and visitors, should not be permitted to handle animals or equipment. Exhibitors are expected to provide adequate training for anyone handling their livestock.

A healthy and safe environment must be assured during transport to and from the Royal. Proper loading and unloading equipment and procedures must be followed.

Every opportunity should be taken to enhance public awareness and education of proper livestock management and handling practices.

Any unacceptable conduct on the part of an exhibitor, or individuals acting on behalf of an exhibitor, will be dealt with at the discretion of the Royal Agricultural Winter Fair (RAWF).

Acting, inciting or permitting any other person to act in a manner contrary to the rules ofEquestrian Canada (EC), FEI and/or RAWF in a manner deemed improper, unethical, dishonest, unsportsmanlike or intemperate, or prejudicial to the best interest of the sport, will come under review by the Horse Show Chair and may be subject to a minimum of a one year suspension from competing at The Royal Horse Show.

EQUESTRIAN CANADA STATEMENT OF PRINCIPLES – HORSE WELFARE

E.C. is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions;
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

EC SPORT LICENSING 2026

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES AND TEMPORARY HORSE REGISTRATIONS:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events. All horses must have a Horse Recording where level and division require.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REMINDER—2026 SEASON

- Coaches attending EC-Sanctioned competition must hold a valid Licensed Coach Status. Any Coach with Registered Coach Status must purchase a Single Event Upgrade for $55.00. This purchase can be made through the My EC account.
- Coaches without a valid Licensed Coach Status or Registered Coach Status with Single Event Upgrade Status are not eligible to be represented as a coach at EC-Sanctioned events and may be subject to fines. Please complete your requirements in advance to avoid any fines and delays.

DECLARE YOURSELF A SELF-COACHED ATHLETE

- Athletes without a coach on-site can declare themselves as self-coached by entering their own **EC SPORT LICENSE NUMBER** or enter "self-coached" in the **COACH FIELD** on their registration/entry form.
- Please note: Coaches that **DO NOT ATTEND** the events **SHOULD NOT BE LISTED** on the entry form.

> "When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments."

The PSO of the horse's owner will be used to determine the geographic region of that entry. **The home province of horses and ponies will be verified by The Royal Horse Show. Invitation to compete at The Royal may be denied or withdrawn if the home province of the entry is deemed to be false. This applies to leased or owned horses and ponies.**
- All horses/ponies must have valid EC Horse Recording Numbers. Change of ownership will not affect qualifications.
- EC Sport License holders at least 18 years of age must complete recognized safe sport training modules addressing the recognition and prevention of maltreatment in sport and concussion. In addition, Coach Status is required to engage in coaching activities at EC sanctioned events and will be enforced accordingly.
- To be considered for EC National Rankings and selection for invitation to The Royal Horse Show, owners/lessees and riders must be sport licence holders in good standing with EC and horses/ponies must have valid EC Recording Numbers. No points may be accumulated for any EC programs or The Royal Horse Show without. For clarification: Those with only USEF memberships/recordings may compete at EC sanctioned competitions but may not accumulate any points toward national programs as per the USEF/EC Reciprocal Agreement.

- Eight (8) will be invited from Ontario.
- Four (4) will be invited from Quebec.
- Two (2) will be invited from the Maritime Provinces.

3. The age of each horse will be computed from the first day of January of the year in which it was foaled.

4. Changes in entries will not be accepted after the tenth (10th) day following the closing date of entries, unless otherwise specified.

5. Except where otherwise specified, Foals, Yearlings and Two Year-Olds are eligible to compete for Junior Championships; Horses Three Years Old and over are eligible for Senior Championships. Cross-entering will be permitted in the Thoroughbred and Canadian Sport Horse Classes provided the entry has the proper qualifications.

8. Every animal eligible to compete for a Championship must be presented in the ring when the class is called, otherwise the exhibitor shall forfeit the prize money won by such animal. This rule will be strictly enforced. Except where otherwise specified, Geldings are not eligible for Championships.

9. A Brood Mare is a mare that has raised a foal for the current year or during the current year. Unless as otherwise defined in section rules.

10. Except where otherwise specified a Yeld Mare is a mare, four years of age or over, that has not raised a foal during the current year. 12. Exhibitors are not permitted to bring mares into the ring during the judging of foals.

MEASURING:

Ponies without a valid Equestrian Canada or USEF measurement card must be measured by the onsite steward prior to competing. Measuring will be available on Saturday, November 14, from 12:00 PM to 5:00 PM. It is the responsibility of the competitor to ensure their pony is measured during this time. Failure to do so may result in ineligibility to compete.

In order to compete at the Royal Sportpony Starsearch, a pony must compete and qualify at an approved qualifier event in the current year.

A Maximum of 18 ponies will be accepted for Classes 1301-1304, 1306-1308, 1314, 1315.

Height Restriction: Ponies must measure 14.2 hands or under and will be measured before they compete.

Ponies eligible for the Canadian Sport Pony Bonus payment must be entered and shown in their Canadian Sport Pony registered names and registration numbers. A copy of CSP registration papers must accompany entries.

All Sportponies must adhere to the published entry close date. If a pony does not qualify, the entry fee will be returned, and entry canceled.

The first and second placed ponies in each of the six (6) in hand classes are eligible to enter to qualify for the Sportpony Starsearch Challenge Cup, held at The Royal Agricultural Winter Fair in the same calendar year.

Passport and registration are not necessary to participate, nor must the pony be a registered Sportpony. All Sportpony type ponies are eligible to enter qualifying shows if they meet that show's rules.

If the first-place pony has already qualified at a previous competition in the current year, then the second-place pony becomes the qualifier. Once qualified, a pony may still compete at any of the qualifying events but may only qualify once in the current year. In order to qualify there must be at least two in a class.
