# GENERAL INFORMATION

## CODE OF CONDUCT OF THE ROYAL AGRICULTURAL WINTER FAIR

The Royal Agricultural Winter Fair is concerned about the well-being of all animals at the fair. This Code of Conduct outlines what is expected of exhibitors in the handling and exhibiting of the animals. There will be no tolerance for any mistreatment of animals. It is expected that all exhibitors will adhere to this Code of Conduct.

The objectives of the Royal Agricultural Winter Fair's Code of Conduct are as follows:

- To ensure the health and welfare of all animals participating at the RAWF;
- To protect the integrity of all livestock competition and sales;
- To project an accurate and responsible message about animal care to the public.

In all aspects of the RAWF, the well-being of animals shall take priority over the demands of owners, sellers, buyers, organizers, sponsors and officials. All animals must be treated with respect at all times. The animals must be considered paramount. The care of all animals must be consistent as possible with their normal schedule.

The highest standards of nutrition, health, sanitation and safety shall be enforced at all times. Adequate provision must be made for ventilation, feeding, and watering throughout the show. All handling, housing and veterinary treatment must ensure the health and welfare of the animals.

The competence of the handlers and show-people is considered essential. Untrained individuals, including show personnel and visitors, should not be permitted to handle animals or equipment. Exhibitors are expected to provide adequate training for anyone handling their livestock.

A healthy and safe environment must be assured during transport to and from the Royal. Proper loading and unloading equipment and procedures must be followed.

Every opportunity should be taken to enhance public awareness and education of proper livestock management and handling practices.

Any unacceptable conduct on the part of an exhibitor, or individuals acting on behalf of an exhibitor, will be dealt with at the discretion of the RAWF.

Acting, inciting or permitting any other person to act in a manner contrary to the rules of EC and/or RAWF in a manner deemed improper, unethical, dishonest, unsportsmanlike or intemperate, or prejudicial to the best interest of the sport, will come under review by the Horse Show Chairman and may be subject to a minimum of a one year suspension from competing at The Royal Horse Show.

## EQUESTRIAN CANADA STATEMENT OF PRINCIPLE

Equestrian Canada (E.C.), the national federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

E.C. is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities;
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment;
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose;
- Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation and safety as a matter of standard operating procedure;
- Continuing to support scientific studies on equine health and welfare;
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions;
- Reviewing, revising and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

## THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.

1. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
2. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

3. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
4. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. # BREEDING HORSE

## ROYAL BREEDING HORSE SHOW RULES AND REGULATIONS

1. All entries are made subject to the General Rules and Regulations of the Royal Horse Show published in the front pages of this book and exhibitors are bound by them.
2. Except where otherwise specified all horses (including foals) MUST be registered in the name of the exhibitor at the time of making entry. Copies of all registration papers verifying ownership must accompany each animal while at the show and must be available for inspection at any time.
3. The age of each horse will be computed from the first day of January of the year in which it was foaled.
4. Changes in entries will not be accepted after the tenth (10<sup>th</sup>) day following the closing date of entries, unless otherwise specified.
5. Except where otherwise specified, Foals, Yearlings and Two Year-Olds are eligible to compete for Junior Championships; Horses Three Years Old and over are eligible for Senior Championships. Notwithstanding this schedule, no Junior or Senior Championship, as the case may be, will be awarded unless the classification provides for the winners in two or more classes to compete for such honors.
6. Exhibitor shall be allowed a maximum of two entries in any class for single animals, and not more than one entry in any class for groups unless otherwise specified
7. No animal will be allowed to compete in more than one class or section except when competing as a member of a group, in harness, for a Championship, special prize or when otherwise specifically stated. Cross-entering will be permitted in the Thoroughbred and Canadian Sport Horse Classes provided the entry has the proper qualifications.
8. Every animal eligible to compete for a Championship must be presented in the ring when the class is called, otherwise the exhibitor shall forfeit the prize money won by such animal. This rule will be strictly enforced. Except where otherwise specified, Geldings are not eligible for Championships.
9. A Brood Mare is a mare that has raised a foal for the current year or during the current year. Unless as otherwise defined in section rules.
10. Except where otherwise specified a Yeld Mare is a mare, four years of age or over, that has not raised a foal during the current year. A Mare that dropped a dead foal or a foal that died within two weeks of birth shall be classified as a Yeld Mare. Unless as otherwise defined in section rules. An embryo transfer donor mare is classified as a yeld mare.
11. Breeder's name must be shown on the line below the name of the animal if it has not been bred by the exhibitor.
12. Exhibitors are not permitted to bring mares into the ring during the judging of foals.
13. During the showing of line classes, except those for Hackneys, only one person will be allowed in the ring with each horse and that person may carry a crop, whip or stick as approved by the appropriate Breed Association.
14. Exhibitors are required to dress in neat attire while showing animals in the ring. No ball caps or jeans are allowed with the exception of Sportpony, where ball caps are acceptable.
15. All animals in the Breeding Horse Section must be identified in the Show ring by numbers displayed on the backs of the exhibitors. The numbers will be supplied at no cost to the exhibitor.
16. Any unmanageable horses will be removed from the Judging Ring.
17. Get of Sire, Progeny of Dam, or Stallion and Three Mares entries should also include the name of the Stallion or mare being represented wherever possible.
18. Heavy Horse Hitch Entries: One hitch horse per class will be permitted into the Gelding breed classes on Friday November 8<sup>th</sup> with no additional administration fees, however, the entry fee of \$35 per class will apply. Any additional horses entered in the Gelding classes from that Hitch entry are required to fill out separate entry blanks and pay any and all fees as appropriate.
19. The Royal Agricultural Winter Fair reserves the right to cancel or combine classes with less than three (3) entries.
20. TACK ROOMS: All tack room curtains must be made out of fire retardant material. Ceiling covers for the stalls are not allowed. Absolutely no plastic will be permitted. No cooking will be allowed in tack rooms. Exhibitors must have available a ten (10) pound ABC type fire extinguisher. This will be strictly enforced. Failure to comply will result in immediate dismissal on the authority of the City of Toronto Fire Marshall. Exhibitors must limit the amount of decorating space along the perimeter of the tack rooms to one (1) meter so that traffic is not impeded. Non-compliance of the above rules will result in RAWF staff removing ceiling covers and/or decorations/equipment that protrude into public walkways. In addition, The Royal will fine the exhibitor at fault \$100 which will be added to their invoice and their entry submission for next year will be subject to review.
21. Late entries submitted after the closing date to the Belgian, Clydesdale and Percheron Breeding Divisions may be accepted upon approval of RAWF Management. No late entries will be accepted after the 21<sup>st</sup> of October. Each entry will be subject to a \$30 late entry fee.
22. DOGS: Please be courteous to those sharing a shedrow with you. Dogs must be leashed and under your control at all times and kept to the confines of your stabling area. Loose dogs will not be tolerated under any circumstance. Dogs are NOT permitted in the Coca-Cola Coliseum at any time. Exhibitors are encouraged to leave their dogs at home. The City of Toronto by-law requires all owners/handlers to stoop and scoop at all times and in all places. All feeds now made with 100%  
organic trace mineral sources.

**Less, really is more.**

Trace minerals are essential for life. Getting them into your diet is one thing, absorbing them efficiently for energy and optimal health benefits, is another.

All of the Masterfeeds horse feeds now include Alltech® Total Replacement Technology (TRT). The inclusion of chelated trace minerals in the form of Bioplex® and Sel-Plex® now replace all inorganic sources of trace minerals and selenium. This means that the minerals you choose to feed your horses with Masterfeeds products will be better absorbed, stored and used for fuel by your horse.

**100% organic trace minerals – less mineral, more absorption.**
