STUMPED!

WORD JUMBLE CHALLENGE

The Royal
AGRICULTURAL WINTER FAIR

WORD JUMBLE CHALLENGE!

What is a word that describes the production of crops, livestock, or poultry?

A G R I C U L T U R E (11 letters)

Welcome to the Royal Agricultural Winter Fair! This activity sheet will be your guide to the word jumble challenge. There are 11 stumps around the Education Centres that have a different word jumble for you to solve (look for the hanging education banners to help you find the centres). Each word has a highlighted letter in it. Once you've collected all the letters, use them to form a word to reveal the answer!

STUMPED?

Ask an expert at one of our Education Centres if you get stumped! You can ask your teacher for help too! The answers will be available on our website after your field trip as well.

READY, SET, GO!
