3. Entry fees must be paid in all classes, except for the Best Udder Class and the Breed Cup classes. Please make your entries to the Breed Cup class in advance.
4. This is an officially sanctioned show of the Canadian Goat Society (C.G.S.) and C.G.S. rules shall govern. Copies of C.G.S. rules may be obtained from the Canadian Goat Society. All transfer papers are to be completed before the show and submitted to the Agriculture Show Office by fax at 416-263-3468. The original papers are to be brought with the exhibitor to the show.
5. There shall be no limit on the number of entries that may be made by an Exhibitor. Pen space will be allotted according to the number of animals brought to the RAWF, and space available.
6. Substitutions will be allowed as follows:
  - a) Two substitutions within a breed per Exhibitor.
  - b) Substitutions must be made within the same age class, and must be made by 2:00 pm, Friday November 4<sup>th</sup>, 2022.
7. No animal may be shown in more than one class except for a Championship or Special Class. All animals shown in Special Classes must have been shown in their regular classes.
8. Animals must have been legally tattooed prior to the Fair so that no fresh ink or green ears are present.
9. All Canadian owned goats must be registered or recorded with the Canadian Goat Society. Original registration certificate for animals must be shown when tattoos are checked and available in the ring for Championship classes. All animals must be legibly tattooed; tattoos must match the original papers. Certificates for all animals regardless of age must be shown. No papers, no show. **NO EXCEPTIONS.**
10. All goats will be checked by a committee of three C.G.S. members in good standing, conducting the required health check. Any animal not passing inspection will be asked to leave the facilities. There will be no kidding or recent signs of parturition at the RAWF. C.G.S. health rules apply. Cross checks of animals at the show and animals presented will be done by the chairperson.
11. If an exhibitor does not agree with the health check results they may have a vet check the animal at their own expense.
12. In order to maintain a clean and professional show, exhibitors are not allowed to sleep in pens. Breeders are encouraged to put up a display and keep areas neat and tidy. It is preferred that all Dairy Exhibitors be dressed in white bottoms (pants or skirt), though black pants (non-athletic type) will be accepted as the alternative, and white shirts (with collar) when showing in the ring. No hats or caps are to be worn in the show ring. All overnight set ups must be taken down and out of sight for opening hours of the Fair.
13. Each entry is to be handled by a single exhibitor who is to be competent as per rule #3 in the Livestock Rules & Regulations.

15. Holding pens will be available for exhibitors ringside. We encourage their use to help the shows move along smoothly.
