Step 6: Become an Exhibitor.

You are now at your home page for your Assist Expo account. You now need to create a profile as an "Exhibitor". **Hit "Add exhibitor" and fill out the information** - remember to put your **school name as the Farm / Company** as this information will appear on the entry.

Please note: that as the Assist Expo account user you can add multiple Exhibitors (or schools) under your account. Simply hit "Add Exhibitor" at the top and fill out the information. For example below: this is Erin Boulton's account in photo 1, and she is also listed as an Exhibitor since she plans to enter her product in the Fair. In photo 2, Erin has also added another Exhibitor to her account "Molly Boulton". As Exhibitors, both Erin and Molly can be entered into multiple classes. Since Erin is the account user, she can make entries on behalf of Molly, as well as manage the entries and pay for them (if required).

Step 7: Add Entry

Once you hit "Add entry" you will be directed to this page.
