AGRICULTURAL WINTER FAIR

## THE HISTORY

Since 1922, The Royal Agricultural Winter Fair has been a celebration of Canada's finest agricultural products, livestock, and horsemanship. What began as a vision by notable farmers after the First World War, it has grown into the largest indoor agricultural and equestrian event in North America. Every year, over 300,000 visitors gather in Toronto to experience the very best of Canadian agriculture, from award-winning livestock and world-class equestrian competitions to exceptional food and produce. Whether you're competing in the Royal Horse Show or showcasing your preserves, cattle, goats, or a six-horse hitch, a win at The Royal is something to be celebrated.

With that being said - **Welcome to the 2024 Royal Agricultural Winter Fair!** For the next 10 days, we are proud to, once again, open our doors to the City of Toronto, offering a unique opportunity for the city to meet the country and celebrate the hard work and dedication of farmers, growers, producers, and homesteaders.
