## Step 6: Become an Exhibitor.

You are now at your home page for your Assist Expo account. You now need to create a profile as a "Participant". Hit **"Add participant"** and fill out the information - remember to put your **school name as the Farm / Company** as this information will appear on the entry.

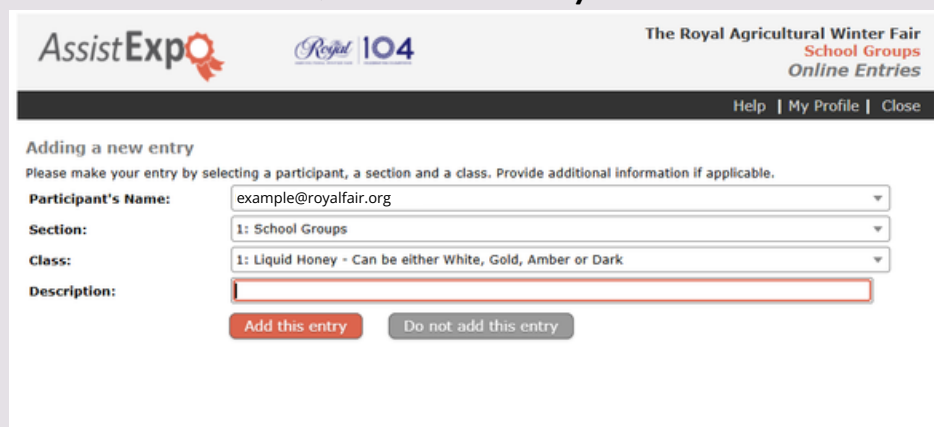

**Please note:** that as the Assist Expo account user you can add multiple Exhibitors (or schools) under your account. Simply hit "Add Exhibitor" at the top and fill out the information. For example below: Teacher 1's account in photo 1, is also listed as an Exhibitor since they plan to enter products in the Fair. In photo 2, Teacher 1 has also added another Exhibitor to her account "Teacher 1". As Exhibitors, both Teacher 1 and Teacher 2 can be entered into multiple classes. Since Teacher 1 is the account user, they can make entries on behalf of Teacher 2, as well as manage the entries and pay for them (if required).
